

LISON CLASSICO

This is definitely the most typical wine of our production. It has a straw yellow colour with greenish reflections. Its perfume is subtle and delicate, moderately aromatic with bitter almond scents that we can find also in the aftertaste. The taste is pleasant, full-bodied and round. Regarded as an excellent aperitif and enjoyed between meals too, but well coupled with starters, soups, seafood and unfermented soft cheeses.

Varietà/Grapes/	Tocai Italico (100%)
Colore/Color	Straw yellow with greenish reflections.
